The Rector Search Committee at St. Mark's is diligently reviewing candidate applications, conducting initial screenings, and are now entering the interview phase, where we will engage with candidates to learn more about their qualifications, experience, and vision for the role of Rector at St. Mark's.

Let us take a moment to offer our prayers as we embark on this important phase of the search process:

Heavenly Father, we come before you with hearts filled with gratitude for guiding us thus far in our search for a new Rector. We ask for your continued wisdom and discernment as we begin the interview process.

Grant us clarity of mind as we engage with candidates, that we may discern the best fit for our parish and community. May we be open to your leading and attentive to the promptings of your Spirit as we seek the one whom you have prepared to serve as our Rector.

We pray for the candidates who will be interviewing with us, that they may feel your presence and guidance in their preparation and presentation. Grant them courage, humility, and honesty as they share their gifts and aspirations with us.

Above all, Lord, may your will be done in this process. Help us to trust in your perfect timing and to remain steadfast in faith, knowing that you have plans for us that are good and hopeful.

We offer these prayers in the name of Jesus Christ, our Lord. Amen.
