

The Women of the Passion, A Journey to the Cross

Presented by St. Mark's

Three meditations and the Stations of the Cross

You are invited to take part in a unique Lenten encounter through Stations of the Cross as *witnessed by the women who followed Jesus*. All are invited: women and men, young and old.

Saturday, March 23 at 1:00 p.m.

The service begins with three meditations offered by the Woman Who Anoints Jesus, the High Priest's Maid, and the Wife of Pilate followed by 14 stations. Station by Station, *woman after woman tells of her encounter with Jesus that brought her to be with him on this day of sorrows*. And at the end, just as at the beginning, it is Mary who holds her son's body.

This service is taken from the book, *Women of the Passion, A Journey to the Cross*, written by Katie Sherrod.

ALL ARE WELCOME

Daughters of the King invite
the Women of St. Mark's and St. Christopher's
for Quiet Prayer Time
(April 20th - Registration requested by April 7th)

The Bishop Talbot Chapter of the Order of the Daughters of the King will be holding a partial day of prayer *Saturday April 20, 2024* from 9 a.m. until noon at St. Christopher's.

This time will be an opportunity to step away from the noise and distractions in our lives to pray, meditate and listen. We will be able to push pause for a few minutes and connect with God.

If you are unable to come for the whole morning, please come and participate in the prayers that call to you.

The schedule begins welcoming women into a calm, quiet place with refreshments, singing two quiet praise songs and then moving into the sanctuary. In the sanctuary, every half hour a prayer will be offered with a corresponding reading. After the reading, women are welcome to stay and quietly pray in the sanctuary or go out to the Parish Hall and meditate using provided finger labyrinths, journals, decorate prayer cards, listen to music or read.

- After the 9 a.m. welcome the following prayers will be offered:
9:30 a.m. – 9:40 a.m. A Prayer for Our Relationship with God
and corresponding reading
