GIVING THAT BUILDS BELOVED COMMUNITY

St. Mark's has spent the past year building something beautiful. A church more alive, more connected, more open. We've strengthened our community, deepened our worship, and widened our welcome.

New ministries are taking root. New people have found their way in. New life is blooming among us. And every Sunday, it feels as though the Spirit moves through our doors even before we do.

This year's Stewardship Campaign invites you not just to give, but to *fully enter* the life of the church. To move from watching to participating. To make our way from the back rows to the front pews. To live as the early church did, a community "*devoted to the apostles' teaching and fellowship, to the breaking of the bread and the prayers*" (Acts 2:42).

We don't want you to just help meet operating needs. We want you to say with full hearts: "*I belong here. I'm part of what God is doing in this place.*" Every pledge helps St. Mark's flourish, and it opens the doors for others to find what you've found here.

The doors are open.
Come in.
Let your heart be full.

2026 ANNUAL VOLUNTEERING

VOLUNTEERING AT ST. MARK'S

Church isn't just something we attend. The life of St. Mark's is built by the gifts of its people. Every ministry, every service, every welcome that is offered at St. Mark's depends on people who say "yes" with their time, their skills, and their hearts.

Volunteering isn't just a way to get involved. It's a spiritual practice. It shapes who we are and how we live our faith. As 1 Peter 4:10 reminds us, *"Like good stewards of the manifold grace of God, serve one another with whatever gift each of you has received."*

Your time and your presence matter. They are a blessing to others, strengthen our community, and help to deepen your own sense of purpose and belonging.

Whether you can offer an hour a week, help at a single event, or organize a whole ministry, there's a place for you.

Mark the boxes to the right and we'll be in touch on ways that you can get involved!

P.S. - Have an idea for a ministry or outreach opportunity that we don't offer? We'd love to hear about your ideas!
